A sporty look or elegance of the corporate world? When buying your Jet 4 50R, you choose.

Surprise yourself with the vibrant colors to choose from, red, blue or black. It's your choice!

One of the main strengths of Jet 4 50R is its 2-stroke engine with separate lubrication, ready to devour kilometers between the university and rides with friends.

Perfect for teenagers busy, Jet 4 50R immediately responds and takes you where needed. Equipped with a fairly complete digital instrument panel (full time, part, clock) to meter fuel and oil level, the Jet 4 50R allows you to view all the necessary information for your trip.

Safety comes first. The front wheel 13 inches and rear 12 favor the stability and the front disc of large diameter ensures efficient braking. A true recipe for success!
