

Piaggio Mp3 300 HPE Sport

7109.00 €

Marca: Piaggio

Disponibilidade: **falha de stock**

Available as base equipment in the Sport version, the Piaggio MIA multimedia platform allows the connection of the smartphone to the electronic system allowing the visualization of maps, routes, fuel stations or service centers. The control function also allows the general analysis of the condition of the vehicle alerting the driver to potentially critical situations.
