

Piaggio Fly 50 4T

2116.00 €

---

Marca: Piaggio

Disponibilidade: **falha de stock**

Piaggio Fly 50 is the perfect way to drive on two wheels. Lightweight and agile, elegant and stylish Piaggio Fly 50 comes equipped with engine 50cc 4-stroke Hi Per4 that make it an economic and efficient option. Strong security features of Piaggio Fly 50 include a wider protective shield, a rigid steel frame, plus a front disc brake and wide tubeless tires that equip the Fly for greater driving stability. Piaggio Fly 50 is agile and stable, thus ideal for the city but also for more rough roads.
